

PALM Song
(to the tune of My Bonnie Lies Over the Ocean)

The PALM is a great kind of bike ride!

The PALM is the ride of my dreams!

BUT!!

I really don't like lots of headwinds

And if I see one more hill I'll scream!

Let's bike! Let's bike!

The PALM is the ride of my dreams! My dream

So!

Let's bike! Let's bike!

Then we can all go get ice cream!
